La société des Amis de la médaille qui s'occupe de former une collection des plus belles médailles modernes pour le Musée des Beaux-Arts de Gand me charge de vous demander d'offrir un exemplaire de cette œuvre d'art, avec la prompte de faire mention au catalogue du don et de la société donatrice.

J'ose vous prier, Messieurs, de faire droit à cette demande et vous prie d'agréer l'expression de mes sentiments les plus distingués

Monsieur Jos. Casier,
3 Rue des deux Ponts,
GHENT, Belgium.

My dear Sir:

I have received your letter of August 24th, asking for a copy of the medal of this Society made by Mr. John Flanagan, which was in the Brussels Exhibition.

I am a little at a loss to know just what medal this may be, as Mr. John Flanagan has never made a medal for this Society. He did, however, make a medal commemorating the Hudson-Fulton Celebration here for a Society called the Circle of Friends of the Medallion, of which Mr. Charles de Kay, 418 West 22nd. Street, New York, is President.

This Society also issued a medal for the same occasion which was by Mr. Emil Fuchs. Of this medal we have no duplicate copies. Should I be able at any future time to secure one, I will take pleasure in sending it to your Society.

Very truly yours,

Director.
